ISSUE #1

WALTER A. SCOTT

Walter was born on December 20, 1925. He was born on a little hill called "Gobbers Knob" in Cherry Hill, New Jersey. As Scotty says, "the apple didn't fall far from the tree". Having settled in Elkton, Maryland which is located only a few miles south. He and his wife, Mayme, have raised their family there, and now enjoy their grand and great grand children. Walter started collecting books, pictures, and phonograph records. Later he turned to coins, both American, as well as foreign issues. Having friends that traveled afar, he would receive issues they would bring back for him. When housing his coins, the name of the person who gave him the coin was written on the 2 X 2. Walter was introduced to collecting wooden money thru a good friend, Stan Brown, also living in Elkton. The 273 piece set of Cecil County, Maryland Tercentenary Celebration issues were kept and sorted in Scotty's home. The project proved to be very successful, as funds were turned over to both the local hospital and that of the Historical Society. Scotty is an active member of IOWMC, DWMC, PWMS, POWMT, and CAWMC. He served our club as the Vice-Pres. in 1980-81, Pres. in 1981-82, and has worked as club editor for the past Fourteen years. During his service as editor, Scotty took it upon himself to see that many other functions were completed, by helping, or doing the work to see that it was done in time. Walter has done a special job for IOWMC, as the editor, a collector, and as a good friend to many of us. After so many years as editor, Scotty says "I feel as if each of our members is part of my family". Walter Scott was awarded the outstanding service award at the Denver, Colorado Convention held in 1996. Please join me in saying thank you for so many years of hard work for our club!!!!!!!

IOWMC Constitution & By-Laws/Policy & Procedures

Some time ago, it was published in Bunyan's Chips requesting each of our members to vote on the updated Constitution & By-Laws, as well as our Policy & Procedures. Approval was made by the By-Laws committee and then by the officers & Board of Goveners. President Albert Bonesio requested that it also be voted on at the August, 1996 meeting (which was approved); and that the members at large have a chance to vote on them. I want to report that only 69 members returned their vote. From the returns, only two members had any objections to them.

This closes my duties as By-Laws Chairman M. Wayne Dennis-By-Laws Chairman

FROM THE EDITOR'S DESK!!#\$(*&@#\$(

First, I would like to thank all of you who took time to drop me a line to wish me well on my new job as editor. I

will try hard to put together a good publication for each month that they are due, I will also try to get them out on time, and as error free as I can. I'm sure you have noticed there have been a few changes to our newsletter, and there are many more to come. Please make use of your newsletter, by sending in your portrait's, wood related articles, want lists, and items you feel I can use. Don't forget that as a member you can run ads that are free. Looking forward to the new year, and the job as editor.

Woodly Yours,

Rob A. Quinn

NEXT MONTH THE MAVRICKS WILL BE COMING BACK, WORD GAME THAT YOU

MUST HAVE 8TH EDITION TO SOLVE, AND MUCH MUCH MORE

FOSTORIA 1997 By Norm Boughton

There Has been some confusion as to whether there would be a Fostoria '97, since the Board of Goveners report in the September issue of Bunyan's Chips reporting the Boards unhappiness with the handling of Fostoria '95 and the Boards implication that club funds have been mis-handled. We were both very unhappy with this implication, especially after a year and a half and an annual meeting where we were praised for our hard work for the good of the club, and that of the hobby. We had eight guests at the meeting banquet. They were two guest speakers and their wives. Two officers from the Fostoria Coin Club and their wives. Guest meals totaled \$71.60 which was paid from profits made at the show on Sunday. The Fostoria Coin Club was our host at the meet and were extremely helpful in setting up the show room. They provided tables from another location for our use. Because some members whose opinions we value highly, feel they ars being unfairly deprived of a good time because of the actions of just a few, Rob Quinn and I are going to hold the 1997 Fostoria Wood Meet next March. Due to Rob having both the secretary & editor jobs to do, send your correspondence about Fostoria to Norm Boughton, P.O.Box 93262 Rochester, NY. 14692

ISSUE #2

William E. Pike R-1666
&
Brooke A. Pike A-2152

Pierre, South Dakota

After graduating from Harvard College in 1995, Bill Pike, a native of Ohio moved to Northern Virginia to work on Capital Hill. Bill has been a member of IOWMC for nearly a decade. Before and during his time in college, he has written many articles regarding wooden money. Being an avid coin collector, he maintains membership in IOWMC, DWMC, and ANA. While living in the Washington area, Bill met Brooke Ann Bavsinger, a native of Northwest Iowa. Brooke graduated from Mount Vernon college, a private woman's college in Washington, DC, in 1994 with a degree in foreign policy. She is an avid stamp collector and cyclist. Having held a variety of positions working in Washington for contractors with the Dept. of Justice, the Defence Printing Service, and the Dept. of Energy. Bill & Brooke were married on Nov. 9, 1996, at the Trinity United Church of Christ in Hartley, Iowa. Having a mutual desire to return to small-town, Midwestern life, has led them to Pierre, South Dakota, where Bill has procured a job as a fiscal analyst with the South Dakota Legislative Research Council. Brooke will be working with the state legislature this session as a committee secretary. As a stamp collector, Brooke took an immediate interest in wood collecting, as is now a member of both IOWMC & DWMC. A wood was handed out at the wedding, and was accepted by all. Both look forward to continuing their hobbies together in their new home.

FROM THE EDITOR'S DESK

Here it is, the second issue of "Funny's Chips"! I hope you are enjoying the changes to your newsletter as much as I am making them. I'm trying very hard to make the deadline needed to have it in your mailbox by the 5th of every month. PLEASE. Keep the material coming in to publish in your newsletter. Thank you to all who sent in items for use in putting this issue together. Remember. Keep it coming!!!!!!!

Article in Ohio Plain Dealer last week was sent in by John Bowers R-1477. It seems that the Postal Service used wooden nickels as a means to award their employees for doing a good job during the 1996 year. The woods were then traded in towards such items as T-shirts and coffee mugs. The nickel program started in July, but most of the 4,200 nickels were not given out until this past December, when they were earned during the Christmas rush. If anyone comes across one of these, please send a photo copy into Chips so we will know what to watch for it looking.

Did you know that the May, 1979 issue of the "Numismatist" featured six different pieces of wooden money, along with other collectable items. Featured were, 1949 Albany, Or.-1936 Columbia, SC-1954 Atlanta, GA.-1978 issue of Canadian wood-an issue for the 1977 IOWMC President's wood, and an upside down piece showing the buffalo side. Wasn't it great that wooden money made the front cover of the oldest and largest numismatic organization's publication in the world?=====THE ANA=====

Mavericks are wood issues that can't be identified because they lack information. If you have such woods in your collection, make a photo copy of them and send into the editor to round-up. If we work together, we'll be able to put a brand on these woods. (Use the # by the wood issue with your answer, later issue to list woods with I.D.)

IOWMC Portrait's are not required from you, but are used to bring us closer together as fellow collectors. Black & white photo's are nice to have with the portrait so we can also see what the member looks like, but this need not be sent if you so wish not to. I relize how hard it is to just write something about yourself for others to read about, much less send in a photo. Been there myself folks. But the portrait is one of the highlights about our publication. We need some sent in to keep this function going. Please take the time, if you would like to share a little about yourself with the rest of us, and send this into our Portrait Chairman.

If going to the Fostoria wood show, make your reservations at the Days Inn. ... our banquet, exhibit, and bourse table fees to Robbin now. Need Volunteers to monitor the souvenir table ... day for one hour. Please let Norm know if you'll help with this. Norm has secured a table at the ANA ... Cleveland for our club to put out advertising woods, information sheets, and membership forms. Is anyone going that can volunteer to keep the woods out, and strighten up the table twice daily. Do we have any sign makers among us? We would like a couple 2' x 3' signs to direct the public to our display tables at both shows. Please contact Mr. Norm Boughton at: P.O.Box 93262, Rochester, NY. 14692-----thank you for your support on this project-----

NORM BOUGHTON'S WOODEN MONEY

PO Box 93262, Rochester NY 14692

Dear IOWMC Member,

I owe Robbin Quinn and many of you an apology

In my haste to get Robbin's first effort as Editor of Bunyan's Chips to you I put the fold on the cover sheet upside down. Or at least upside down for the Post Office processing machines. I understand this caused many of you to only get the top sheet or ripped sheets.

I know better, having served two years on the Rochester Business Mail Customer Council for the Post Office.

Please accept my apology and assurance that it will not happen again. We will be using envelopes for all mailings with insertions such as Pearl Bookers woods this month. If in the future we use a cover sheet I will have this grim reminder of where the fold goes.

Plans for Fostoria '97 are progressing well. Now we need your attendance and your help.

First on our needs list is members who will be attending ANA in Cleveland. David Nelsen has donated woods to advertise our show during the ANA and I will be donating flyers with the details and a map on how to get there. Membership application blanks will also be there. The Ana is donating the table to place these items on. Now we need somebody to straighten it up every once in awhile.

Our second need is for volunteers to man a sales table during the Sunday show. The Post Office is in the process of approving our cancel request so that we will have both postcards and wooden dollar souvenirs to sell, providing we have some one to take in the money. Please let me know if you can volunteer one hour sometime between nine and four PM on Sunday.

The Post Office cancel makes an ideal opportunity for you to make your own unique items. Among the items made last time was a Philatelic Numismatic Cover imbedded with the wooden dollar and cancelled with the show cancel. It was then signed by the two chairman of the show and the club president as being unique. Over \$20.00 of expenses for the show was offset by the high bid for this cover in the silent auction.

Our third need is items for the traditional goodie bags that IOWMC usually passes out at our dinner functions. These have in the past consisted of such goodies as woods, rulers, pencils and key chains. Banks and other businesses are good sources for these type of items. If possible, fifty pieces are needed.

Some members have expressed concern over the cost of sale tables. As guests of the Fostoria Club we cannot undercut what their dealers are paying for table space. Thirty dollars for an 8 foot space is quite inexpensive when you consider that well over 1000 visitors are expected, based on our 1995 attendance. Yes there are wood shows where the tables are \$10.00 but the buyer and seller attendance was less than that.

ISSUE #3

Colonel Russell L. Daisley
Director of Security Police

COLONEL RUSSELL L. DAISLEY

(Russ, BEAR) Life Member #45 11 Years with I.O.W.M.C.
Russ was born on July 9, 1943. He grew up on the Ohio/ Penn border in the small town of Sharpsville, Pa. Joining the Air Force in 1961, he spent both his basic training, and his special training in school for Air Police at Lackland AFB, in Texas. His first job assignment was in Jan. of 1962, as a security specialist with the 91st Combat Defence Squadron at Glasgow, Montana. His next assignment placed him in Germany. With 35 years active duty, Colonel Daisley has many achievements in the form of awards, promotions, special training, education, and community service. Russ and his wife, Erika, were married on March 18, 1964. They have three girls, of which two are married, and their last is a senior at SW Texas State University, San Marcos, Texas. Russ picked up a wood that was put out by Mayme Scott. "I'm proud to be an American", this he reports is what started him collecting woods for the Bicentennial issues. Now with well over one thousand woods on the event, or a theme of the event, he is still very active in adding to his collection.

Some of his other hobbies are collecting coins, hard time and civil war tokens. He officiate's sport events in basketball, softball, american football, baseball, as well as boxing. He was put into the US Military Sports Hall of Fame for the fact that he has played, officiated, and coached in sporting events. He also enjoys jogging, working in the community, helping youngsters toward proper citizenship, and showing his woods to elementary, and junior high school history classes. Holding memberships in the IOWMC, POWMT, and PWMS, he looks forward to active involvement in the hobby & with collectors. Enjoying his membership in IOWMC because there is no pressure as such. " We have had a great editor and the info was getting out--- more to come with the new one." Russ also states that whom ever he wrote to always gave him a reply, and everyone was willing to help in enhancing his collection. He is looking forward to sending in articles for "Bunyan's Chips", adding to his collection, and making new friends in our hobby. Recently, he visited the Communicate It, Ink, company in San Antonio, Texas. Planning to provide a story thru the newsletter about it. If you have some extra woods for the 1976 Bicentennial issues, I'm sure Russ would like to hear from you. Send your information to: Col. Russell L. Daisley, 117 Bryant Ave, Langley AFB, Va. 23665-2796

SET ASIDE FOR VOLUNTEERS.
FURNISHED WITH BIG RECLINERS,
SATIN COUCHES AND FOOTSTOLES;
WHERE THERE'S NO COMMITTEE CHAIRMEN,
NO GROUP LEADERS OR CAR POOLS.
NO EAGER TEAMS THAT NEED A COACH,
NO BAZAAR AND NO BAKE SALE;
THERE WILL BE NOTHING TO STAPLE,
NOT ONE THING TO FOLD AND MAIL.
TELEPHONE LISTS WILL BE OUTLAWED.
BUT A FINGERSNAP WILL BRING:
COOL DRINKS AND GOURMET DINNERS,
AND RARE TREATS FIT FOR A KING.
YOU ASK, WHO'LL SERVE THESE FEW,
AND WORK FOR ALL THEY'RE WORTH;
WHY, ALL THOSE WHO REAPED THE BENEFITS,
AND NOT ONCE VOLUNTEERED ON EARTH!!!!

This handsome Greek Revival style bank was built on Walter Street at the foot of William Street in the early 1830's to house the Mechanics Bank and the Merchants Bank. Walter Street at the time was the financial hub of New Bedford, with its several banks, insurance offices, law offices, and auction houses. The bank building was designed by Russell Warren, but each bank hired its own builder. There was a disagreement about the design of the pillars in front, and by looking carefully, one can see a slight difference in shape between the four pillars on the right and the four on the left. This building now houses the Fisherman's Pension Fund and Fishing related groups and services. Woods are 25 cents each & SASE from: C.C. GRTR. N.B. PO Box 2991, New Bedford, MA. 02741 (ask about past issues too !)

South Hills Coin Club has issued a wood for their 37th coin show. Back of issue marks the 75th anniversary of the Lincoln Memorial. Have been painted a copper color and will not photo copy well. Project for club members

Ted Wolverton has been putting together the standard & miscellaneous styles used for the Indian and Buffalo on wooden money. His work reflects that a total of twenty-five different standard Indians are used, twenty-six of such are the type under miscellaneous, and another twenty five have been used for the Buffalo. I was going to run copies of these in the newsletter, but I fear that most will not copy well enough to be useable by others. Knowing of a few members who have done the same research, and of others that have put together a collection of just such wood issues, I ask that they join us in completing this project, and that the club members join in to help see this is covered well. Send in photo copies of the Indian & Buffalos you have in your collections. They will be matched up to what is already on file. Unknown issues will be added to the list. Once this is completed, I'll run them in Chips until all are listed. We may learn that there are different types on the same wood issue, that there are more than just one to an issue, and that this being documented, may very well help us to better identify wood issues. Please help us to see this project through. Send copies that are ready to be photo copied into Bunyan's Chips. Send to the care of: Editor For Bunyan's Chips, 5295 Beechwood Road, Ravenna, Ohio 44266 Thank you to E. Ted Wolverton for sending in the material for which this project is getting the start from. Let's make this a club project. By doing so, we should be able to have this finished in time to start printing into the newsletter by this coming June 1997.

Thank-You, Editor

Fostoria '97 A Wood Collectors Heaven

Norm Boughton reports that the planned wood meet in Fostoria, Ohio, on Mar. 21 & 22 1997, is looking to be well attended by both the wooden nickel collector's, as well as, the local members from Fostoria & their guests. The museum will be opened for the viewing of the John B. Rogers room, as well as the rest of their exhibits. Banquet tickets for Saturday nights dinner are sold out, and a guest speaker will be on hand. Norm wishes to thank everyone for their support in putting together this event again. Remember, if you plan to attend, come early on Friday the 21st to enjoy the wood buying & trading!!!!

As outlined in the Policies & Procedures for the club President, a call for the nominations of officers have been made for our annual ANA meeting, at which time they will be voted on. The April issue will have statements posted from each.

~~~~~  
Virginia Dennis reports that there have been a few sales of the 8th Edition Buying Guide the past month. With almost 10,000 recorded official issues, history of wooden money, and the history about IOWMC, every collector owes it to themselves to purchase this, and in turn, it will be a resource that will help you in your hobby.

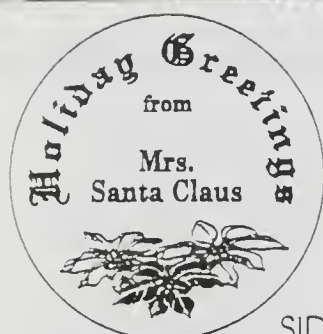

COMMUNICATE IT INK, COMPANY PRESENTS

# The "Bob & Pearl Buoker 1997 Woods Set"

The Buoker's have commissioned the issue of these sets of wooden nickels, which they use on special occasions to brighten the lives of those less fortunate than we. 1,000 copies are made of each nickel, of which two hundred are set aside to be included in this special "wood set" offering. Each nickel is imprinted in a color that best represents the special occasions commemorated on the nickel. Through Communicate It Ink, Co., the Buoker's are offering to interested collectors, the opportunity to acquire each issue in the annual set, as they are printed. The 1997 set includes at a minimum, these nickels, and any future nickels that the Buoker's issue in 1997. Some of the proceeds raised through this offering will be donated to the wooden money club that has the most members "subscribe" to this offer (per capita).

Interested collectors should submit to Communicate It Ink, Co. a fee of \$7.50 to receive a "subscription" of two woods from every issue throughout the year (the first 100 collectors only). In addition to receiving Buoker Wood Issues, subscribers will also receive, one of every special "collectible nickel" featured in our ISSUE ANNOUNCEMENT posted throughout the year. Nickels will be mailed as they are printed, and any nickels broken in the mail can be returned for a free replacement.

Leslie E. Salley  
R-1535  
Castle Rock, Co.

Leslie Salley lives in Castle Rock, Colorado, with a population of about 8,700 people, which is about twenty five miles south of Denver. Having moved there back in 1979 from Minnesota, where he worked as a superintendent of a light plant. Leslie now manages a glass business. Like many of his fellow wooden money collectors, he collected coins until his hobby became too expensive. He enjoys adding official flats, tufts, and a variety of other woods to his wooden money collection. Les also collects fire arms, knives, and golf collectibles.

Both he, and his wife Lois, enjoy golfing twice each week, trips to the mountains, and fishing. Belonging to IOWMC, DWMC, PWMS, as well as the Western Wooden Money Club, he keeps up on all the news about our hobby. Les has made many friends over the years by writing to, and receiving letters from fellow club members. One yearly issue from his area is the Colorado Springs Street Breakfast, and he has helped many collectors add missing issues to their wood collections. Leslie and Lois have one daughter which has given them two granddaughters, one grandson, followed by one great granddaughter, and one great grandson.

Another very interesting member of IOWMC

## FROM THE EDITOR'S DESK

Can't believe that this is the start of the fourth month. I'm starting to believe that the older one becomes, the faster time does pass. Day light savings starts this month which means even less time to put Chips together for you. Remember to send in your portrait, articles about wooden money, and your free newsletter ads.~~~~~Editor~~~~~

Late notices were mailed out with the March issue of Bunyan's Chips. If your renewal is not received soon, there will be no May issue mailed out to you. Please take the time, and mail in your \$5.00 payment to: Robbin A. Quinn, 5295 Beechwood Road, Ravenna, Ohio 44266-9119 ( \$2.00 for our associates )

Nominations have been called for the positions of club officers. If you are willing to run, or know someone who is willing to do so, please send these to Delmer L. Cushing, P.O. Box 88984, Seattle, Wa. 98138-2984

### 1997 - I.O.W.M.C.'s BENEFIT/RAFFLE DRAWING

Its that time of year to start thinking what we all can do to help our organization in raising money to offset the increasing cost we are encountering to operate and having the monthly newsletter. Our operating costs are increasing and it has been through the yearly Benefit/Raffle Drawing that we have been very fortunate that we haven't had to increase the yearly dues.

Once again as Chairperson for I.O.W.M.C. Benefit/Raffle Drawing, I call upon the membership to support this well-worth project.

I am making appeals for contributions and material for this project. Your past cooperation and support has been appreciated; and I know that you can be counted upon once again.

When sending in your contributions, please designate if you want it used as a door prize or if it should be an auction item. A few members stated they have nothing to donate; as a suggestion, a one year free dues is always a welcome prize.

All inquiries and donations for 1997 IOWMC's Fund Raising Project should be sent to: Virginia Dennis, 1852 Golden Shadow Drive, Henderson, NV 89015-8620

THOSE RARE WOODEN NICKELS---I still have in my possession, a few copies of the above book, "Those Rare Wooden Nickels" by and donated by Fred Gates. Anyone who is interested, please write to the above noted address. Asking price is only \$1.00 plus postage. All proceeds go into IOWMC treasury. Thank You !!!!!

### Wooden Money Trivia

Due to the unpleasantness of WW-11, there was not much wooden money issued during 1942. Prescott & Tucson, Arizona had issued wood in 1939. They re-issued some of their left over wood and over-printed them Nov. 11, 1943 to celebrate the 25th Anniv. of WW-11 ending. Both issued four woods.

Cincinnati, Ohio had issued N.W. Territory Celebration wood in 1938: & then re-issued 35 different types and colors for the same celebration- 25th Anniv. of WW-11 ending.

In 1945, Greenville, Ohio issued five large pieces (2-1/2") rounds, for its North-west Territory Treaty.

Prior to these, over three other towns had issued wooden money during the war. Orlando, Florida had a 5C orange piece issued in 1942 for their Centennial ( Date on wood is printed April, 1942 ) And Ellwood City, Pa. had a golden Anniv. in 1942, they issued four woods. Two of the more well-known and scare "cork" wooden nickels ( red & black) came from Beaver Falls, Pa. in 1942 Info from Tom Hudson writing

### Fostoria'97

A very special thank you to Patrick Whalen & Maurina Boughton for their effort at our club sales table. More material moved from that table than any other, and it turns out Maurina is quite the sales lady. With over 30 club members at the banquet, it was a good show in support of our hobby. Thank you also goes out to our fine members who helped support, and or, made donations to the wood meet: Wayne Denis, Communicate It Ink, John Lawrance, George Hill, Fostoria Coin Club, Dick Brown, Greg Brown, Suzanna Hopkins, Ron Nobbs Sr., Fostoria museum & its members, Bill Snyder, Walter Scott, Clinton List, The " Great White North" gang, Bob Brown, and a host of others. It was a great wood meet !!!!!!!

Dues Renewal- If you have yet to pay your 1997 dues, get them into the mail today, and keep receiving your copy of Bunyan's Chips.....

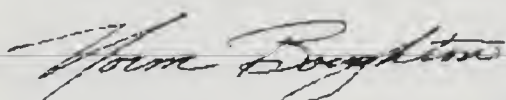

## Collectors Starter Book For Sale By IOWMC

The perfect gift for a junior member, or even a regular member for that matter. This 1", three ring notebook, contains useful information about the hobby, club official Constitution & By-Laws, wood definitions, and history about the IOWMC. Contained inside, there are 21 samples showing the different types of wood to be collected. The book value alone for the samples is over \$35.00, plus, in the back there is a gift membership good for one years dues in IOWMC. Total value for the starter notebook is well over \$45.00, and is for sale for \$10.00, plus the \$3.00 it will cost to mail. If buying to give to someone, send their address with your payment and it will be mailed directly to them. Send payment to: IOWMC. 5295 Beechwood Road, Ravenna, Ohio 44266-9119 (Collector name pin will be added to the book also.) There are only 22 starter books left from the Fostoria wood meet- 1st come-1st mailed.

### Fostoria '97

We had fun. I believe that was the most common comment made to me after Fostoria '97 closed down. Glitches we had - such as one member being locked out of the meeting, lots of pre-show communication problems, snow when it was supposed to be spring but none that interfered with our mission-To spread the word about wooden money and have fun doing it. The banquet was a sell out! The meeting was attended by more people than have attended a club meeting in several years. Once again we achieved our goal of obtaining ten new members. Remember we retained over 80% of the members obtained at last Fostoria gathering and I think we will again. The official show wood is included with this month's Chips. There are only about 100 more available so if you want extras, get you order in now!

I want to thank the club for giving me the privilege of chairing Fostoria '97 and to Robbin Quinn, Otis Casey and Lou Vesh for making me realize it was a privilege.

The Maryland State Numismatic Assoc. has issued two wooden nickels with information about the 1997 Atlantic Rarities Coin Exposition. Each wood notes a milestone reached in 1997. One is the 200th Anniversary of the incorporation of Baltimore City, and the second is the 25th year of the M.S.N.A. . Woods are 25 cents each plus an SASE to: M.S.N.A., P.O.Box 6533, Sparrows Point, MD. 21219.

Norm Boughton reports having found a 1958 wood issue for the 5th annual Pioneer Days in Gowanda, New York. This issue is unlisted, and until last month it was also unknown. Norm says there are no extras for sale, but is a matter of record update.

Next month there will be a small mailbid in Chips from Wayne & Virginia Dennis. The closing date will be a short one, so be sure to mail in your bids in as soon as you are able to do so.....

Members have sent letters in and requested information on Sambo's wood issues. Please contact the editor if you have woods to sell or trade with other members. Free ads can be used for this sort of thing.

Mavrick woods have been slow in making their way to the editor, or most of our collectors have found a home for their wood issues. If you have some wood that needs to be identified, mail a photo copy to go into Chips at a later date.~~Editor~~

Fostoria '97, the March 22-23 gathering in Ohio by the IOWMC, produced a souvenir wooden post card with a special cancellation provided by the Fostoria Postal Service as well as a wooden dollar. The post card is for sale for \$3.00, and if any remain of the wooden dollar, they are for sale for \$1.00 each. Orders should be directed to: IOWMC Souvenirs, Box 93262, Rochester, NY. 14692.

Article in Coin World reports that a Danish firm is looking into using wood for their smart cards, which are currently plastic. These would be made of laminated birch wood if made. Could it be that we are seeing a come back of wooden money in another form ?

## Obituary

Louis Berkie (Berkowitz), born May 25th 1912, entered into rest on April 16th at 3:05 am, at the age of 84. Mr. Berkie had been the operator and founder of the oldest wooden nickel manufacturing company (ELBEE CO.) in the United States. Known in the industry as "The King of Wooden Nickels", Mr. Berkie produced an estimated 206,000,000 wooden tokens during his lifetime. Mr. Berkie was born in Dallas, Texas, and grew up in New Orleans, LA. until he entered the Army in World War II. After the war Mr. Berkie settled in San Antonio and operated many different businesses in several locations within the city, and developed a thriving retail business in magic and novelty items. In the early 50's, Mr. Berkie purchased and modified some press equipment by the Munghia Printing Company, and began to print wooden nickels. Supplying customers around the world with wooden nickels, he also entertained tens of thousands with magic tricks and novelty gag items.

Louis was a life member of many organizations and charities, and was very generous to everyone.... even to strangers. Often found giving street people money, Mr. Berkie worked hard to help less fortunate people, and to help those establish their entrepreneurial spirit

A member of B'nai Brith Brandeis Lodge #2176, the Jewish War Veterans Organization, Congregation Agudas Achim, the Jewish Federation of San Antonio,

and the Jewish Community Center, Mr. Berkie regularly donated his time, resources, and money to support these and other organizations.

Louis was also a strong supporter, contributor, and life time member of the Texas Association of Magicians, IOWMC, POWMT, DWMC, and the San Antonio Chamber of Commerce.

It is hard to sum up a man in a few words or paragraphs, especially a man as kind, as interesting, and as vibrant as was Mr. Berkie. However the first word that most people think of when they remember him, was GIVING.

## Obituary Cont.

In accordance with Mr. Berkie's wishes, no funeral or service was scheduled, and in lieu of flowers or cards, well-wishers are encouraged to make a small donation in name of him, to the Hebrew Free Loan (210) 732-5387 so that others may again benefit from his having been here. Having no surviving relatives, he is however survived by the tens of thousands of smiling children who he dazzled and amazed over the years, many who called him a friend, collectors in wooden money that he had a hand in getting started in the hobby, and the less fortunate people whos life directly benefited by his kindness and generosity. To summarize Mr. Berkie's life, he had a commemorative wooden nickel made with the words.... "It's Been Magic."

### 1997 - IOWMC's BENEFIT/RAFFLE DRAWING

Enclosed with this month's monthly newsletter, you will find a self-addressed envelope with a few tickets for our fund raising project. Tickets are only 50¢ each; and we hope you will purchase them all. Don't forget to write your name and address on the stubs. Return the ticket stubs, along with the money, in the envelope provided for your convenience.

Additional tickets are available. The more tickets you purchase, the more successful this project will be.

A.N.A. is meeting much earlier this year; and since we have IOWMC's annual general meeting then, it is most important that you return your ticket stubs and money promptly. **THANK YOU.**

Virginia Dennis, Chairperson

### JUST FOR THE RECORDS

Only Porter County in the United States is in Indiana. Mr. Larry J. Clark works for the Porter County Library located in Valpariso, Indiana. There were 20,000 wooden nickels made to redeem for a free ride on one carnival attraction. Unfortunately, he was unable to find out how they were distributed.

UNION CANAL DAYS

MAY 18 & 19, 1996

LEBANON, PA

UNION CANAL of PENNSYLVANIA

Proposed by William Penn in 1690 to tap the agricultural wealth of the Commonwealth and give access to a second settlement on the Susquehanna River. The Canal was the first ever surveyed in the United States. This was done in 1762 and in 1770. First chartered as the Duchuylkill and Susquehanna Canal Co., work was begun in 1792 under the direction of William Weston, an English Engineer. Several miles of the canal were dug and 5 locks were built between Myerstown and Lebanon before financial difficulties caused the work to cease. It was this area that President George Washington visited in 1793. Reorganized in 1811 as the Union Canal Company of Pennsylvania, work began in 1821 and the Canal was completed for the opening in 1828. A branch canal was finished in 1832 reaching the water works north to Pine Grove to tap the coal fields and supply much needed water for the Summit Level. The Canal required an elaborate pumping system to keep the Summit Level from going dry. Dug thru the ridge dividing the waters of the Quittapahilla Creek and Clark's Run, the tunnel was originally 729 feet long. Drilling was done by hand and blasted with gunpowder through Argillaceous Slate Rock with veins of hard flinty limestone 80 feet below the summit of the ridge. In April of

1950, the Lebanon County Historical Society purchased the Union Canal Tunnel. It was placed on the National Register of Historic Places on October 1, 1974. This is the oldest existing transportation tunnel in the United States. Thanks to the Hershey Pasta Group, a division of Hershey Foods Corporation, the historic site is protected from any residential or industrial encroachment. Hershey purchased 40 acres to the south of the site, and then donated the property to the Historical Society. A wooden nickel was issued for the first Union Canal Days back in 1990. (only wood issued to date)

Fostoria Glass Sop Selling Glass  
Nickels To Collectors

The R & L Stained Glass made a donation of two etched glass nickels to the Fostoria Show Committee prior to the banquet raffle. The prize was won by Ron Nobbs Sr., and the second is being given to the Fostoria Historical Society to go on display at the museum. These beautiful 3" etched glass nickels are for sale to IOWMC club members. Prices for the single glass nickel are \$7.95 each, 3" glass nickel with a chain wrapped around the outside edge goes for \$9.95 each, and for \$12.95 they will mount the glass nickel into a finished wooden base for use as a display with your collections. Add a shipping charge of \$3.00 for one piece, \$4.50 for three, and \$6.00 for four to six pieces. Above picture is to full scale with the words and Buffalo being etched into one side. Send your orders & correct funds made out to: R & L Stained Glass, 336 Main Street, Fostoria, OH. 44830. Please allow 3 to 6 weeks for delivery time. ( Editor's Note- I've ordered the glass nickel with the wood mounting base to add to my wood display)

Send in your orders today to show support for the club and the hobby.

## AWASHONKS

Benjamin Church, an early settler in the land of the Sakonnet Indians in what is now Little Compton, quickly won the confidence of Awashonks, squaw sachem of that tribe. In June 1675, when six of King Philip's warriors, painted and armed, sought to persuade her to join in war against the white man, she held a dance and invited Church. He came and found that "Awashonks herself in a foaming sweat was leading the dance." Diplomatic maneuvers followed that exercise. Church urged her not to fight, offering the shelter of the Plymouth Colony. Awashonks elected a neutral course, but when the war broke out the hard-pressed colonists could not provide protection. In the wake of Philip's first victories, she and her people were swept along. Church, campaigning actively as captain of a mixed company of whites and Indians, could not be spared to win her back untill the following June. Then, by way of canoe from Woods Hole to Sakonnet Point, he went to meet her, bearing "a roll of tobacco and a calabash of rum." The reunion opened tensely. Awashonks feared the rum was poisoned, so Church took "a good swig which indeed was no more than he needed," then all joined in and the gourd was drained. Tobacco followed, Church spoke with eloquence, and Awashonks agreed to place her warriors under his command. In the final overthrow of Philip, The Sakonnets fought well for Church and earned their queen a place of honor in the legends of Old Dartmouth and her name across the stern of a whaleship.

The March 29, 1997 wooden nickel "Awashonks" is for sale at 25 cents each, plus an SASE. Send your order to: C. C. GRTR. N.B., P.O.Box 2991, New Bedford, MA. 02741

## Attention Sambo's Collectors

I recently purchased Joy Parrish's Sambo's collection. I now have several books and boxes of Sambo's woods. Many of which will be duplicates. Once I have this collection merged with my own collection, I will know what my needs will be, and what woods are duplicates. This project will take some time as I'm currently at work on the Dairy Queen Check List. At a later date, I will be willing to trade in both these issues for the ones I will still be needing. You can send me your lists, and I will go over them at a later date. Also, Merlin Malehorn's book on "coffee" tokens is now available. The first part of the book is a very extensive listing of the Sambo's issues, and a must for collectors of such. For more information contact: Merlin Malehorn, 6837 Murry Lane, Annandale, VA. 22003-1973 or contact: Bob Brown, P.O.Box 124, Highspire, PA. 17034

Bob Brown needs information on the following Dairy Queen wooden tokens. He needs copies of both sides for his research project. Please send a good clean copy of these issues and note the color of the issues as well. Bob would like to purchase these tokens, as well as any other Dairy Queen issue that he needs. He's also willing to trade for the woods that he wants. Please show your support for the task that Bob Brown is undertaking, and send the material that he is requesting from our club members. Send your information to: Bob Brown, P.O.Box 124, Highspire, PA. 17034

These issues have been altered somewhat by use of drawing them on a computer. Differences will be noted in print size, spacing, and layout. However, your issues should match up enough to show it came from the same issue.~~~~Editor~~~~

## FOSTORIA 1997

There is nothing like a wood meet to see friends in the hobby, make some new friends, and find wood issues that you need for your collection. The second wood meet in Fostoria was a great success!!!!

More collectors in attendance, better fellowship, and alot of wood changing hands during the two full days. A meeting was held at the Ponderosa at 10:00 am on 4-22, there were 23 club members on hand, and 5 guests with us. Subjects were floored by members on such things as club By-Laws, where our club is headed, working on club projects as a group, and getting the John B. Rogers room at the museum in better shape. Walter Scott stated that support is needed to help the editor do his job better, and Ron Nobbs Sr. spoke on how to make better copies of woods for the newsletter printing. In the afternoon, club members were welcome to help with the John B. Rogers display at the museum. Maurina Boughton & Lou Kretoivics did a large part of the work in putting order to material from some trunks housing Rogers programs. Lou Kretoivics supported our wood meet by seeing to a display of information & wood handouts in Cleveland prior to our meet, and has donated a case to house what woods are on hand in the Rogers room until better arrangements can be made. The Saturday night banquet was completely sold out with 55 filling the room to its limits. Joining the dinner was the Mayor and his wife, the President of the Fostoria Coin Club, and a guest speaker for the night. The Fostoria committee received a proclamation from Mayor Bailey, that proclaimed March 22-23rd, "Wooden Money Days In Fostoria." The raffle had an added prize, when the Fostoria Glass Shop donated a glass wooden nickel, which was won by Ron Nobbs Sr.. A second glass nickel was donated to the committee, which will go on display at the museum at a later date. Sunday was rain mixed with snow most of the day, and kept attendance lower than two years ago. But many nice displays were put up, and coverage was made by the local newspapers. One major project has been undertaken by the Fostoria committee and will require the help of the members of our club. The museum does not have a complete set of the 1954 Centennial issues put out by John B. Rogers Company. A display case has been secured for housing the pieces, and now we need the flats to complete it. Norm Boughton is looking for donations of these woods so that a display can be put together from the IOWMC. If you would like to donate a flat to this project, please contact Norm Boughton and let him know what you would like to donate. Please do not send any flats without first contacting to insure that they are still needed for the project. Almost forgot..... Awards were given to Walter Scott & Ron Nobbs Sr. for their years of service to our hobby, and Pat Whalen & David Neisen for their support to the hobby. These were plaques shaped from Ohio state and had brass plates on them. We thank everyone who played a part in the success of the 97' Fostoria wood meet. Feel I make a better editor than a reporter, and so I did not mean to skip over anything, nor leave anyone out that should be noted. Thank you for the support, donations, and the effort from all to insure that a 1999 Fostoria may well be worked towards.

The PENN-OHIO WOODEN MONEY TRADERS will host their 4th annual swap meet on Sept. 20, 1997. For more information about the one day event, please contact: Pat Whalen after 4 pm at (330) 448-0708

I hope that most of you received your Fostoria wooden dollar in last months mailing in good shape. Due to the hours required to ready bulk mailing of our newsletter, additional protection is not used. There are only a few wooden dollars remaining, so replacements for your loss are not possible. I'm sorry if you found a broken wood in your newsletter~~~~~Editor~~~~~

NEXT MONTH-Free flats, Mavericks, Wood issues, Dennis mail bid, and information on the ANA!!!!

William E. Baab  
1428 Poplar Drive  
Fairborn, Ohio 45324

William E. Baab ( CLM 56 ) was born on Sept. 29, 1929, in Dayton, Ohio. Having attended & graduated from Kiser High School, he joined the U.S. Army in Sept. 1948 and stayed until June of 1952. Bill has also attended many Real Estate schools, and has membership in the Dayton Area Board of Realtors & Fairborn Chamber of Commerce. Bill, along with his wife Jean, have been married for 44 years. Thirty-Three of which together, they have supported the I.O.W.M.C. . Bill became "Hooked" on wooden money back in 1963, when Wendell Morningstar and George Camp, gave him his first woods. What followed this was a term as the clubs 3rd President, and many awards for Best of Show on Bill's collection. As with most wood collectors, there are other interests beyond this, and his effort is divided up among such things as Bells, Clowns, Milk Glass, Pottery, Fire Trucks, and Baseball cards. Bill retired as a Fire Chief with over 30 years of service. He makes going to card shows, flea markets & dinning out, part of his retirement. Bill has enjoyed many years of trading woods with fellow club members, corresponding, and attending past ANA meetings. Bill states that even after 33 years with the club, " Jean & I always have been, and always will be, very strong supporters of I.O.W.M.C. ". As with many of us, there was a time when Bill sold off most of his collections, and has started over again.

Another of our long standing & very supportive members.

## FROM THE EDITOR'S DESK

I would like to thank the few who have taken the time to send in material for our monthly newsletter. The more information that is received, the sooner it reaches the printer & is mailed out to all of you. In an effort to reduce any problems in our Bulk mailing, please let me know if your not receiving your copy in time to take advantage of the mail bids being offered by Wayne Dennis & Clinton B. List. Also, show your support for the club by bidding, buying club woods, and dealing fairly with fellow collectors. Enjoy the coming summer!!!!

### FIND OF THE MONTH

Lou Kretoivics R-2069 reports having found part of the Blaine, WA. Peace Arch wooden money for his collection. With his purchase, he received the letter that the wooden money was mailed out with, ( April 10th, 1933 ) and a copy of the local newspaper story about the Blaine money issue. See last page of this issue for copy of that. Lou has proven that wooden money still remains to be found if you keep looking & asking around. THANKS LOU ! Have you a great find to share with the club ? Send a note or story into the editor for a later issue of Bunyan's Chips.

Congratulations go to R-1192 Bill Morphet, who has sponsored 5 new members this year and was mailed out the complete set of membership incentive woods last month. Every time you sponsor a new member you receive credit that is good towards a set of club incentive woods. It matters little how long it takes you to sign up five new members, as this program is on going to allow everyone a chance to add these woods to their collections. To date, there are only seven members with these complete sets in their collections. The club has dropped 65 members who did not renewal their dues, but were picking up new members to replace them very well. Bring someone into the hobby and start receiving credit on a set of incentive woods today.~~~~Sect.~~~

Did we miss your Birthday or your Anniversary? Drop a line and I'll add it to the records for next year if you want it posted. New members need not submit if you sent in with your application. Mail into: Editor of Bunyan's Chips!!!!!!!!

Big thank you goes out to Frank Kozma, Jr. Frank has been supplying the front page of Bunyan's Chips for many years to its editor's. Also, thank you to all who help put out Chip's.

FOR OFFICE OF PRESIDENT :

Delmer L. Cushing - Became a member of IOWMC in 1982. Has held the office of President for the Seattle Coin Club, University Coin Club, and the Pacific Northwest Numismatic Association. Various offices have been held with these same clubs going back to 1976. In 1990, he was the Assistant Show Chairman for the A.N.A. convention held in Seattle, Washington. For the past 18 years, he has been the Treasurer for the Northwest Tokens and Medal Society. If elected to the office of President, he will endeavor to work with the officers and board of I.O.W.M.C. to develop an atmosphere of cooperation between the Board and collectors which will keep seasoned collectors collecting while trying to attract new people to our hobby.

FOR OFFICE OF 1ST VICE PRESIDENT:

Bill Snider - R1815 Currently holds the office of 2nd Vice President, and is the clubs wood sales Chairman. If elected to the office, he will work with his fellow club officers towards the betterment of our club.

FOR OFFICE OF 2ND VICE PRESIDENT:

Wayne Dennis - HLM #19 Has served as past President, and been on the Board of Governors for I.O.W.M.C. If elected, he will support the President, and be ready to accept the duties of such, should there be a need to do so. Wayne will work for the betterment of our organization. Always willing to help in club projects, and has done much for the club over the years.

FOR OFFICE OF TREASURER:

Virginia Dennis -HLM#42 Currently serves as Treasurer for I.O.W.M.C., handles the raffle that is held at the annual A.N.A., and has held many positions within the club in Chairperson positions. If re-elected as the club Treasurer, she will keep the high standards that she has set for the job.

FOR OFFICE OF SECRETARY:

Shelley Quinn - R2118 Has been helping the club secretary with his duties for the past 5 years, and took on even more of the work load after the secretary & editor job became her husbands functions. There has been a vast improvement between the the offices of club Secretary & Editor by having the two in the same household. If elected as club Secretary, she will fulfill the obligations of her office.

FOR OFFICE OF BOARD of GOVERNORS:

Floyd Thomas- R1918 Currently serving on the board for I.O.W.M.C., and President of DWMC. If elected to remain in this position, he will see that club business is taken care of in a timely manor.

Kenneth Paulsen - R1023 Currently serving on the board for I.O.W.M.C.. Has held many positions over the years, and acts as Secretary at the A.N.A. meetings for the club Secretary. If elected to remain in this position, he will see that club business is taken care of in a timely manor.

E. Ted Wolverton- R469 Currently serving on the board for I.O.W.M.C.. Has spent many years holding different positions within the club. If elected to remain in this position, he will see that club business is taken care of in a timely manor.

CONFIRMATION HAS BEEN RECEIVED

Ruthann Brettell, Convention Director of A.N.A. has confirmed that IOWMC's annual general meeting is scheduled on Saturday, August 2, 1997 at 9:00 a.m. in the Sullivan Room of the Marriott Marquis Hotel in New York City, NY.

## WOODEN MONEY POPULAR

**Demand for Unique Local Coins Exceeds Output At This Time. Letters, Telegrams and Phone Calls are Numerous.—Selling Above Par.**

### BLAINE GOES ON WOODEN MONEY BASIS TO FINANCE RELIEF; PEACE ARCH COIN OF SMALL DENOMINATIONS IS ABOVE PAR

**City Sets Aside Non-Interest-Bearing Warrants to Support Wooden Coins—Coinage to Be Restricted—Money to Be Accepted at Par For Merchandise**

Don't take any wooden nickels, isn't a popular slogan in Blaine any more. Round wooden nickels, dimes, quarters, halves and dollars are being given the unemployed in exchange for labor on city improvements and everybody is scrambling for the jobs and the wooden money. Albert Balch, originator of the relief payment plan, declared Saturday.

The city council of Blaine under the direction of Mayor C. V. Wilder has set aside a quantity of non-interest bearing city warrants as security for the coins and has designated an amount of city work to be done by the unemployed and paid for in wooden money. Mr. Balch announced. Many citizens of Blaine have also subscribed for one to \$15 worth of the wooden coins at par. No coins can be issued except in 100 per cent exchange with United States money or after city warrants have been earmarked for their redemption. The quarters, halves and dollars will be kept at parity with gold through restrictive coinage and by acceptance at par throughout 1933 for merchandise in Blaine, members of the Blaine Relief association stated.

Due to the smaller number of wooden nickels and dimes coined these denominations have already risen in value from 10 cents to 15 cents and some have already commanded a quarter.

Although the first wood for the Tenno money was supplied by Albert Balch, the Peace Arch money differs from it in that the Blaine money is round instead of rectangular and in the shape of coins instead of notes. Each coin is numbered and entered upon the books of the Relief association after being initialed by the treasurer. Rev. Floyd Green, William Greenblatt, Earl McKinney, Belle Montfort, Velda M. Shay, and Albert Balch, chairman, constitute the money-making committee.

—Bellingham Herald.

"The Blaine Relief Association is greatly pleased with the response accorded the Peace Arch wooden nickel idea", Reverend Floyd Green, president, announced today. "News dispatches have gone to all parts of the U. S. and Canada and we are beginning to have inquiries by letter from far places."

Mrs. Belle Montfort and Miss Francis Still, Relief Association secretaries, and Earl McKinney and Kenneth Still, treasurers, are working overtime keeping the mailing accounts straight.

The following story, an Associated Press dispatch, appeared in the Seattle Times and papers all over the United States:

#### JOHN D. TO GET WOODEN DIME FROM BLAINE

BELLINGHAM, Tuesday, Jan. 10. —John D. Rockefeller, who has been giving away ten dimes for 10 these many years, will soon have his first wooden dime. Albert Balch, Blaine business man, who originated the wooden money in that city for relief purposes, announced yesterday that a wooden dime will be sent Mr. Rockefeller.

President Hoover will receive the first wooden quarter and President-elect Franklin D. Roosevelt the first wooden half-dollar.

Workmen on city relief were given another payment in wooden money yesterday. Mayor C. V. Wilder announced. City warrants have been deposited at a Blaine bank and all wooden money presented for redemption is paid in United States currency or gold.

**Address all communications to Miss Frances Still, Blaine, Wn.**

### THE TRAVELS AND TROUBLES OF BOPO

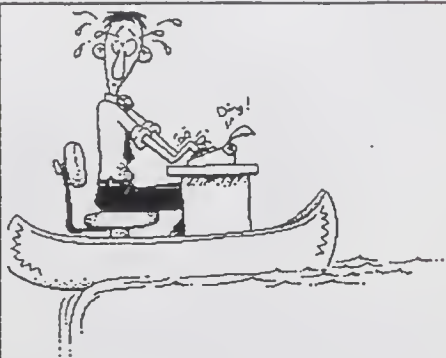

Many years ago a young author named H. G. Wells accidentally picked up a short wave radio transmission from outer space. After much effort he was able to translate the message. To his shock he found that it was final instructions being relayed to an armada leaving Mars to invade the Earth. Since Wells was already well known as a writer of fiction no one relived him when he tried to warn the authorities. Unable to get anyone to take him seriously, he wrote a story about a Martian invasion which he intended to be a warning to the general public—even though he knew it would be a number of years before the invaders actually arrived. Later Orsen Wells, having been told the true story, discovered that October 31, 1938 was the day the Martian invasion would begin. His famous radio broadcast warned America so that Americans were ready to defend themselves—but the invaders never showed up. Making the best he could out of this situation Orson ad-libbed the rest of the broadcast and pretended it was all a gag. The Martian invasion force headed for Downer's Grove, Illinois, United States, Planet Earth, never showed up. Now we finally know what happened on that non-fateful day in 1938.

Martian command had appointed a Zavarian pilot named BoPo to lead the invasion. BoPo turns out to have been a poor choice since he is woefully inept. As you can see on the chip, the invasion force was supposed to go east to Downer's Grove but BoPo turned west instead, the entire invasion force followed him, and the rest is non-history. The invasion force traveled west many years until reaching Nevada. The other Martian invaders were hired by the US Air Force as consultants on space travel and are currently working at area 51. However, when BoPo's former employer was contacted for references, they were unable to recommend him based on his previous employment as head of the Martian invasion. Consequently BoPo was homeless and unemployed and wandered his way to Las Vegas. A hungry BoPo mistook the Fiesta sign for a Zavarian submarine sandwich and Fiesta security guards discovered him trying to take a bite out of the sign. When security questioned him, the facts came out and now you know- THE REST OF THE STORY- \$5 chips limited to 1200-sold out in six hours..

EDITOR IN NEED OF ARTICLES FOR YOUR NEWSLETTER. PLEASE TAKE THE TIME TO SHARE WHAT YOU MIGHT HAVE WITH THE REST OF YOUR FELLOW COLLECTORS THROUGH THE MONTHLY NEWSLETTER.

## FROM THE EDITOR'S DESK

If it is summer here, it must be summer just about everywhere. This would account for the lack of mail lately. We all have more time during the winter months when stuck inside. With everyone now out, I find myself getting stuck to put together enough material to put out a monthly newsletter.

This issue is short because of this, and the fact that our membership roster is completed. Thank You to Virginia Dennis for the hours she put into this.....

I am sorry for anyone who received their President wood broken from our Bulk mailing. It takes about 23 hours per month to put Chips out each month,

and to secure woods for a mailing of 333 newsletters would require more time than I have to do this job. If you did receive the wood broken, then send an SASE, and I will replace them one for one. If you want to buy additional issues, Bill Snider will have these by the end of the month...

Rich Hartzog R-2198 is looking for issues from Rockford, Freeport, Belvidere, and area Illinois woods. Willing to pay \$1.00 for woods he needs. Send list to: Rich Hartzog P.O. Box 4143, Rockford, IL. 61110

Norm Boughton needs your want lists for official flats & rounds. He purchased a large collection and wishes to share his find with fellow woodies. Send your want lists to: Norm Boughton P.O. Box 93262, Rochester, NY. 14692-8262

Ron Nobbs wants to remind everyone that the POWMT 4th swap meet is on Sept. 20th, 1997. For info-call Pat Whalen after 4 pm. You'll find him at (330) 448-0708

Next month is the annual meeting of IOWMC at the ANA in New York City, NY. Virginia Dennis wishes to thank everyone who took the time to send in their raffle tickets, make a donation, or sign over material for the auction. If you have yet to send in your raffle tickets, you need to do so now!!!!!!

Next months newsletter will have the format that you have all come to know. August will have want ads, mail bid, collector's corner, mavericks, and mail from fellow collectors.

Ohio has taken the lead on most members in our club with 59!!! Next month you will see how many cover the 45 other states we are in.

South Shore Coin Club has issued their 33rd annual show wooden nickel. They are 25 cents each or 5 for \$1.00. Also have past issues for sale to collectors. Send your SASE & request to: Jerome Horzewski, 4969 S. 15 St. Milwaukee, WI. 53221

## OUR MEMBERS

A few months ago, I was highlited in Bunyan's Chips. The article outlined my areas of collecting to include emphasis on the US Bicentennial or theme of the event. I was astounded during the following few weeks as I received mail from numerous IOWMC members, some contained woods for my collection. Every one of the letters had offers to assist in enhancing my collection and a pledge to help in my collecting endeavors. This is quite a contrast to a collector (me) who has been out of the United States for several years having difficulty in keeping up with the hobby and struggling to keep up with an interest in wooden money. One member sent me over Two Hundred woods pertaining to the field that I collect. All the wood sent to me was donated for my collection and I surely appreciate it to the ninth degree. I would most likely forget someone if I were to try and list everyone who wrote to me and/or contributed to my collection. Suffice it to say THANK YOU TO YOU ALL!!!! But, most importantly, it reflects the type of character of our collectors---caring, concerned and ready at any time to help other club members. Plus, it reflects that the monthly member spotlight in our newsletter really does work well---keep this in our newsletter! I hope we all can continue to be mentors to other collectors, hobbyists, and club members. My pledge is to remember the personal touch rendered to em by our members, and to reciprocate the act by assisting other woodies. I highly encourage you to continue in this endeavor and ask others in IOWMC to do the same. My hat is off to you all.....Sincerely, Russ Daisley.

Editor's Note---No more portraits are on hand to use. Please send one in so it can be used for a later issue of Bunyan's Chips!!!!

## FROM THE EDITOR'S DESK

The July issue is being mailed out with the August newsletter to bring me up to date on mailings. The Postal Service had us make a new address stamp. Due to errors in getting the stamp made, it took three orders to make one that passed their standards. My mother had two strokes in early July, and I fractured my ribs at work. July was far from a good month for me. But, I'm back at my job & will be mailing your newsletters out sooner. Thanks to all the members who have taken the time to send in information for our newsletter. Next month will have highlights of the ANA meeting.

Lists of the various types of woods- club project- We are looking for members who will help to put together a list from their collections! Most every type of wood issue is being collected by someone in our hobby. Editor collects ships with sails, Pat Whalen is "sort of" into trains ( understatement), Norm Boughton is working on Good For's & golf, Greg Brown collects woods that have to do with rocks & minarals. If you are willing to share what you have, we will post these in the newsletter. Contact the editor for more info.....

MORGANTOWN, W.Va. — The adage "don't take any wooden nickels" apparently doesn't apply to a West Virginia church — the one they took ended up being worth \$1,250.

The Rev. Edwin Harper said Friday he thought someone was playing a joke on him when he spotted the wooden nickel in the collection plate at a special service last Sunday at Riverside Apostolic Church.

Actually, Geraldine Van Schoick, a resident of a convalescent home, dropped the nickel into the plate.

"She gave all she had," Harper said. "I told the church she gave more than anybody there. That's when they began to respond. Grown men began to weep.

"A man said he would buy it for \$20, another said \$50, another said \$100. It multiplied several times."

When the bidding ended, the church had collected \$1,250, with proceeds going to foreign missions.

Halifax Explosion of 1917 marked on 1997 Halifax Coin Club wood. Commemorating the 80th anniv. of the Great Halifax Explosion on a 1 1/2 inch round. This explosion killed 1,600 people and injured several thousand. Leveling a square mile of the north end of Halifax, and part of neighboring Dartmouth. The estimated property damage was over \$35 million. The French ship "Mont Blanc" carrying munitions caught fire and exploded after colliding with a Norwegian ship, the "Imo", which was loaded with supplies for Belgian relief. It was the biggest man-made explosion prior to the dropping of the first atomic bomb at Hiroshima in August of 1945. Their issue is in black, and shows the "Bell Tower", which still stands to remind everyone of the explosion. The back side shows the Halifax coin club crest, and has a floral arrangement in the center which is printed in silver (will not photo copy). Wood is available by sending your order for \$1.50 each postpaid to: Allan Marryatt, 603 41 Cowie Hill Road, Halifax, Nova Scotia, Canada, B3P 2M7

# WOODEN NICKEL HOLDERS

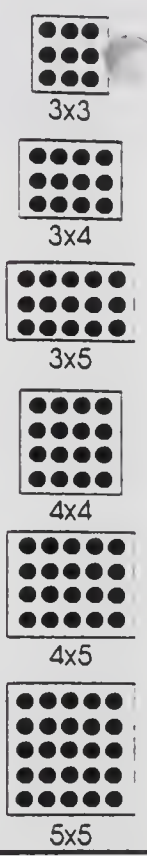

Made of rigid, lightweight **Coroplast™** (corrugated plastic), these precut shapes securely hold 1 1/2 inch Diameter Woods; and are ideal for displays and for safely mailing wooden tokens through the postal system... *in any envelope!*

Available in colors: Red, White, Black, Brown, Blue, Yellow, Green, Light Blue, Orange, and Grey; these inexpensive holders add little to the cost of mailing, and can be reused over and over again.

Wooden Nickel Holders are perfect to mount and display your collections and can be easily cut or trimmed with scissors, razor knife, or a paper cutter for fitting any envelope, picture frame, or display page. Page protectors, acrylic - even Saran Wrap - easily adheres to the **Coroplast™** to protect your Wooden Nickels; and their lightweight rigidity is just what you need for quick wall mounting or hole-punched for inserting into collector albums.

Sold in packages of 10, use this order form to place your request today - or call **1-800-750-8701** to expedite your order. Texas residents must include sales tax.

Gary R. Beckstrom  
89 Iark Circle  
York, PA. 17404  
R-1658

Born on April 4, 1940 in St. Marys, PA. Lived in Emporium, PA. for 12 years. Moved to Williamsport in 1952 and back to York just two years later. After graduating from York Suburban High School, joined the Spring Garden Township York-West York & Lincolnway volunteer Fire Dept. in 1960. Ran ambulance calls from 1960 to 1976, and in 1995 I retired as a firefighter. Currently a member of the Pennsylvania Pumper Primers and the SPAAMFAA, which helps to save Antique fire engines. Has spent alot of time traveling with friends, and has seen such places as Alaska & Hawaii, along with 34 other states. Started collecting wooden money in 1966 and have about 3,000 woods from Pennsylvania, and 300 other state issues. Gary also collects stamps, coins, 1/87 & 1/100 scale tractor-trailer trucks, and reports having around 930 in his collection..... Submitted by Gary R. Beckstrom

Welcome to our clubs new officers !!!!!!!!!!!

## PRESIDENT'S SAY

I feel that as the new President I should let the members know where I feel the hobby is at and where I think it can go. As the old story goes: Would you like the "Bad News First" or the "Good News"? I can't wait for the answer to that, so I'll start with the bad news first because I like to finish on a positive note. During the past year we have seen the loss of people who were influential in establishing the hobby of wooden money collecting and helping to bring it to the attention of young and old. Their dedication to the hobby will be missed as they were not just "Followers" but "Leaders". That seems to be a crisis in all organizations today. The older collectors have "Been There-Done That" and just wish to be a collector, while the younger ones in the hobby say "No Time-Not Able To Do It". Having been a family man myself, I can remember coming home from work and the kids wanted to play and I was trying to get my college homework finished before going to evening classes. This left little time for collecting, or much of anything else. Our club needs the talents and energy of both the mature collector and that of the younger collector. Each person should evaluate their time and try and save time to benefit organizations they belong to. If you have time but don't know how you can be of help to our club, just drop me a line or give me a call at (206) 244-1596 anytime.

Now for the "Good News". Multi-colored Christmas woods have been around for some time but the smaller wooden nickels have been another story. The multi-colored woods for the most part have been handed in the past. This is a labor of love, and has meant limited numbers of issues when done this way. Some favorites of mine come from one of our Canadian collectors who I'll not name to invade his privacy. We are now seeing a Texas firm producing multi-colored woods on a production basis. This can only increase the interest in collecting wooden nickels for collectors. As technology of printing methods refines itself over the next few years, we as collectors will reap the benefits of better looking and more colorful woods. I sincerely applaud the efforts by this Texas firm to produce a better product and I know that other firms will be duplicating their efforts in the coming years. In the coming months I will be addressing other areas of concern to the hobby. One of those is how to get the young people involved in collecting. I can relate to this subject by using my own children and grandson as a starting point of discussion.

The 1998 ANA Convention will be held in Portland, OR. I have reserved rooms for the wooden money collectors attending this convention and the meetings. Make plans to visit the Northwest next August and enjoy the beauty of our forests, mountains, and ocean beaches. I can't be your tour guide but, if you have any questions I will endeavor to answer them. Remember to mark your calendar for August 5-9, 1998. If you would like a multi-colored wood advertising the ANA convention next year, just drop me a SASE and I will send one. Till next time I remain: Del Cushing.

~~~~~  
The club has gone over two years without a monthly President's message. Effort will be made to have a monthly message, and have officers addresses posted so that members can make contact with them as needed.
~~~~~

Please note that as of last month, we have a new club secretary. Dues for the 1997/1998 club year can be sent into Mrs. Shelley Quinn, 5295 Beechwood Road, Ravenna, Oh. 44266-9119. Shelley being the editor's wife, has been a big help in keeping up with the secretary work for the past nine months while I held both jobs. Now that I'm no longer club secretary, let's start sending in your dues renewals to avoid delays from the coming holidays !!!!!!! Editor

EDITORS DESK

Seems it is that time once again!
Hard to believe that Christmas is only three months away. If you plan to issue a Christmas round or a flat, best to get your

orders in early to avoid any lost time. Also, send a copy of your Christmas issue as soon as you can. Plan to have an insert page as to their issues so members can remove from the newsletter and place their orders.

Thank you's go out to all who sent in material for Chips. These things are filed until space is on hand to use them. Like a past editor- I tend to keep everything I receive- just can't seem to remember where I lay it down!!!!

CHANGES TO THE 8TH EDITION

Received 10 pages of changes that have been put together by Clinton List. Starting with the next newsletter, these will be added as inserts in Chips during the next 5 or 6 issues. Thank you for your on-going club support Clint!!!

Bonnie Schartz (R-1999) found an article in the Oct/Nov. 96 issue of Country magazine about Tenino wooden money. Might try asking for the issue from the publisher-send request to: "Let's Go Visiting" Country, 5925 Country Lane, Greendale, WI. 53129

Thank you Bonnie for the information

Bedford, Ohio Art League 1971

A set of two woods were issued with a three fold purpose. To honor Archibald M. Willard, commemorate the "Birth of Freedom" 1771-1971 Bicentennial, and third to commemorate the American Revolution Bicentennial. These two wooden quarters honor Archibald M. Willard, who was born on Aug. 22, 1836 in Bedford, Ohio. He was the son of the first pastor of the Baptist Church in the Bedford area. His famous painting "The Spirit of '76" developed into an inspiring patriotic symbol. It won first acclaim at the 1876 Centennial Exposition in Philadelphia and has since continued to be one of the most famous of all American pieces of art. The central figure was posed by the Reverend Samuel Willard, father of J. M. Willard. The Fifer by Hugh Moser: the Drummer by Harry K. Devereaux, son of General J. H. Devereaux. Willard died in Cleveland on October 11, 1918 and is buried at Wellington, Ohio. Wood info-1-1/2" round First is white-appears to have a white decal on each side printed in black and the edge around the issue painted white. Second of the two is plain & natural, printed in black, both issues printing the same. Obverse depicts Archibald M. Willard's famous painting, and the reverse has printed "American Revolution Bicentennial Wooden Quarter" with Series one-The Art League of Bedford, Ohio in center. Only 30 white were printed & 100 natural

IN MEMORIAM

The officers and members were saddened by the recent loss of our fellow collector. Our sincere sympathy to the family members.

HLM-17

The annual meeting of IOWMC was called to order by Treasurer Virginia Dennis at 9:15 am in the Marriott Marques Hotel (Sullivan Room), New York City, New York on Saturday, August 2, 1997.

Toni Cichy volunteered to take the minutes.

Wayne Dennis led us in the "Pledge Alliance to the Flag."

A minute of silence was held for our deceased members: Louis Berkie, Charles Bevan, Al Bonesio, Thomas Corse, George King, Gene Nelson, Donald O'Briant, John Robbins and Mark Wildasen.

All in attendance were requested to identify themselves--total of 15. John Wilson (newly re-elected ANA Board Member) and wife, Nancy welcomed us to ANA and regretted they could not stay longer due to ANA business.

A motion was made and seconded to dispense with reading of last year's minutes since it was published in Bunyan's Chips. Motion carried.

Secretary's report was read by Toni Cichy. Motion made and seconded to accept secretary's report. Motion passed. Total membership as of July, 1997 is 368.

Treasurer's report was given. CHECKING ACCOUNT had a net gain of \$202.66, making a total of \$1296.51. SAVINGS ACCOUNT had a net gain of \$254.69, making a total of \$2376.81. LIFE MEMBERSHIP ACCOUNT had a loss of \$526.76, making a total of \$3175.29. Treasurer explained about the net gain in Savings Account: The \$400.00 that was withdrawn for the Fostoria Meeting was replaced plus \$214.52 profit received after sales of books and woods and balance from interest received. Life Membership Account was down due to money withdrawn for general expenses. A motion was made and seconded to accept Treasurer's Report. Motion carried. Treasurer's Report to be published in Bunyan's Chips.

ELECTION OF OFFICERS: The nominees for each office were read from June 1997 issue of Bunyan's Chips: President, Del L. Cushing; 1st Vice-President, Bill Snider; 2nd Vice-President, Wayne Dennis; Treasurer, Virginia Dennis; Secretary, Shelley Quinn; and Board of Governors: Floyd Thomas, Ken Paulsen and Ted Wolverton. Robert Fritsch made a motion the acting secretary to cast one vote for the entire slate of officers; Norm Boughton seconded it. Motion carried.

Coin World and Numismatic News were given automatic Honorary Membership due to their publicity. Motion was made and seconded. Motion carried.

Norm Boughton suggested we celebrate our 35th anniversary at the Fostoria meeting in 1999, instead of meeting during ANA Convention. Virginia Dennis stated he should contact newly elected President so he can take Board Action; and we still had ample time to work on all details: time, place, funding, etc. This was tabled so the newly elected President can take appropriate action.

Norm Boughton stated IOWMC is on the "Inter Net."

Toni Cichy had one Historian Book there and that she was resigning as the Historian. It was stated since this position is an appointment, the newly elected President will have to appoint a new Historian. == The History Book was left by Toni and Virginia Dennis has it in her position now.

Meeting adjourned at 9:50 am. The door prize drawing and auction were held.

EDITOR IN NEED OF PORTRAITS, NEWS ARTICLES, AND HOBBY RELATED MATERIAL FOR CLUB NEWSLETTER. CAN BE SENT TO CARE OF EDITOR, OR TO THE CLUB SECRETARY.

FINAL REPORT - IOWMC BENEFIT/ RAFFLE
New York City, New York - August 2, 1997

Listed elsewhere is a complet list of all the door prizes, donors and winners.

Total ticket sales (by mail) \$605.00; ticket sales at meeting \$10.00; Auction netted \$101.75; and (20) one year free dues \$100.00. Total profit was \$728.75 after all expenses were deducted.

(Expenses included purchase of tickets, envelopes, and mailing same to editor by UPS; also 37 door prizes had to be mailed.)

THANKS to the members who supported this well-worth project for IOWMC. Members who took time to send donations were: Gary Beckstrom, Gerald Braithwaite, Thomas Browe, Otis & Annie Casey, Toni Cichy, Wayne & Virginia Dennis, Robert Fritsch, Dave Hunsicker, Jeanne Kotrba, John Lawrence, Bill Manifold, William Morphet, Old Time Wooden Nickel Company (Herb), Walter Riley, George Schweinfurth, Walter & Mayme Scott, Art Sloan, John Snell, Dave Tanner, Floyd Thomas, William Werst, Robert Wolverton and Al Zaika and David Neisen.

Members who purchased additional tickets and/or donated extra money were: Willian & Jean Baab, Mildred Baka, Abe Booke, Paul Borack, Maurina & Norma Boughton, John Bowers, Tom Browe, William Carr, Toni Cichy, Steve Corey, Del Cushing, Frank Davis, Harry Davis, Keith Deneui, Tom Francis, Robert Fritsch, James Gavin, Ken Hedden, J. C. Hoffman, David Hunsicker, Bill Jabs, Charles Knapp, Wallace Krocsko, Basil Latham, Dan Lipstein, Clinton List, Robert & Mary Mathis, Sylvester Merletti, Kazuma Oyama, Phillip Pac, Ken Paulsen, E. Philhower, Walter Riley, Leslie Salley, Cecil Sanderson, Walter & Mayme Scott, Bill Snider, Rita Stankiewicz, Brian Stone, Dale Tanner, Floyd Thomas, Ernie Turnes, James Uline, Bill Werst, Patrick Whalen, Larry White, Ron Willadsen, Richard Wiltberger, Ted Wolverton.

Although attendance was very low, our auction was a lively one in the capable hands of Ted Wolverton. Listed elsewhere will be a mail bid for items that were not sold at meeting.

Some highlites of the auction: the four collector's plate donated by G. Braithwaite had some lively bidding; the 1933-25¢ Longview, WA sold for \$8.00, 1933-25¢ Bremerton, WA sold for \$16.00 (these were donated by Toni Cichy). I believe most wanted item were the tee shirts from Herb, owner of The Old Time Wooden Nickel Company, formerly known as the Original Wooden Nickel Company. These all sold for \$5.50 each.

The front of the tee shirts had an Indian, company's name and saying "Heads You Win" and the backside had a Buffalo, company's name and saying "Tails You Lose."

Thanks to Ted Wolverton for being the auctioneer and Wayne Dennis in assisting in both the auction and the door prize drawing.

I hope I have not overlooked anyone. If I have, please accept my apology, as it certainly is just an oversight.

On behalf of myself, the IOWMC Officers and Board Members- THANK YOU ALL for your continuous support to our great organization. KEEP UP THE GOOD WORK to the 165 members who participated in this years Raffle/Benefit Project.

My interest in collecting something began fairly early, with baseball cards when you had to chew the bubble gum they came wrapped up with. I also collected matchbooks for a long time and filled several scrapbooks. Upon graduation from West Senior High School in Rockford, Illinois in 1951 I went to work as a machinist apprentice. While studying for this career, one of my instructors introduced me to coin collecting. I began as many collectors did by filling Whitman Folders with coins from circulation and by buying rolls of coins at the bank and going through them. Standing Liberty Quarters was my favorite coin then. My interest in coin collecting was brought to the attention of a gentleman who gave me a large bag of foreign coins. It was not till some years later that I was able to identify many of them. For several years I collected New Zealand and Australian coins.

In 1953 I joined the Air Force serving 4 years in various locations. While a member of the Air Force I was schooled in Electronics and spent the rest of my working life in the electronics field. In April, 1957 I went to work at Seattle, Wa. for the Boeing Airplane Company doing experimental testing and fabrication. I became a part of a test team for nuclear research in 1965 and remained in that capacity until I retired from Boeing in August 1991.

I was introduced to Mary Schmidt from Viceroy, Saskatchewan by mutual friends in July, 1957 and we were married in September, 1957. We have two children, Craig & Raeann, and two Grandchildren, Allan (8 years) and Anna Michelle (15 months). Coin collecting took a back seat to college, raising two small kids, and traveling for Boeing until 1976 when I was again able to devote time to the hobby. My interest in merchant tokens began in 1978 and has since replaced coin collecting as a primary interest. I have authored three listings of merchant tokens and encased cents. The latest being, "Merchant Tokens of Seattle", a comprehensive listing of over 3200 tokens.

I credit a friend, Al Nystrom, with getting me involved with collecting wooden money. I joined the IOWMC in 1983 at the ANA convention in San Diego, Ca. and having been expanding my collection of Washington, Oregon, Idaho and Montana ever since. I have been a frequent contributor to Robert Leberman's "Wooden Money of Washington State" book and updates.

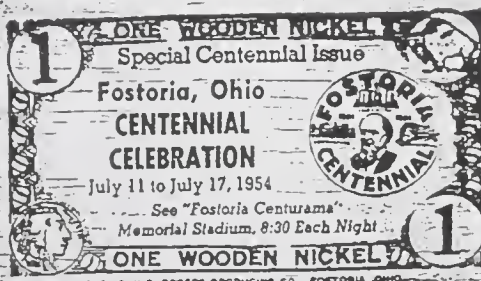

Since becoming active in collecting again I have held office in all the clubs in Seattle. I have been president of the Seattle Coin Club, The University Coin Club and The Pacific Northwest Numismatic Association. I have been Vice-president and Treasurer for the Boeing Employees' Coin Club, Exhibits Chairman and been active on the board of directors. For 18 years I have been the Treasurer for the Northwest Tokens and Medals Society and Auctioneer at the annual convention for the last 9 years. I was Assistant-Show Chairman at the ANA Convention in 1990 at Seattle. At present I am Secretary for the University Coin Club, Treasurer for NWTAMS, on the Board of Directors of Pacific Northwest Numismatic Association and the Boeing Coin Club. In addition I am a member of ANA, AVA, TAMS, PNPCC, PNMB, NSNS, OREO, WWMC, DWMC, NATCO, TACT, NPIC and TEC.

Being active in the community has brought me honors from the Parent Teachers Association and the Boys Scouts of America. I have been honored by the Pacific Northwest Numismatic Association and in 1996 at Denver, Colorado I received Krause Publications "Numismatic Ambassadors Award". It is something which I will always cherish and never forget.

I collect postcards and memorabilia of the 1909 Alaska-Yukon-Pacific-Exposition and cards with Totems. I also collect Matchbooks from Seattle, Pastime Tokens of Washington & Oregon, elongated pennies from Washington, encased cents of Seattle and various club exnumia from Washington in addition to the wooden money.

FROM THE EDITORS DESK

Now that the secretary job has been

officially taken over by
my wife,

I can put more effort
into improving our club
newsletter. I wish to
thank all the members
who take the time and
mail in materials for
putting into Chips. Next
year there will be
another face lift and new
formats used in your
publication! Please take

a few minutes this winter and drop a
line to the editor in regards to what you
like about your newsletter & what you
would like to see in it. This will give
me some guidelines, as well as, that of
some goals for next year. " May your
Thanksgiving Day be filled with warm
memories."

8th edition Guide Book of Wooden Money

Published in 1994 by M. W. Dennis

With 173 pages of known official wood issues listed by state from 1931 to 1994. Information is also listed as to the woods denomination, color, and the issues value. Don't be caught staying indoors this winter without having this guide to help you with your wooden money collecting. Cost for each copy of the guide is \$18.00 postpaid. Send your orders today to: Virginia Dennis, 1852 Golden Shadow Drive, Henderson, Nv. 89015-8620.

December issue of Bunyan's Chips will feature members Christmas wood issues as a special insert, mail-bid from Clinton List, Collectors Corner, and more wood related wood stories.~~~editor~~~

It is time to renewal your dues for the 1998 year. Still remaining unchanged you will find the price of \$5.00 per year more than fair for a regular membership that entitles you to eleven issues of Bunyan's Chips monthly newsletter, free ad placement, and a club full of great people. Life membership is \$100.00 and is payable in quarterly, semiannual, or a

one time payment in full. Junior and associate membership remains at \$2.00 if at the same address. Make your dues check payable to I.O.W.M.C. and send it to: Shelley L. Quinn 5295 Beechwood Road, Ravenna, OH. 44266-9119

Don't forget to send in two copies of your Christmas wood issue to make the December newsletter special insert. These can be mailed to Bunyan's Chips....

Change of address for Sally Kirka was sent by the postal service- Please note her new mailing address as now being 125C Cliffside Dr. #C, Manchester, CT. 06040-3415.

Address changes will be posted as they become known in your newsletter. They make for a good space filler, so you will have to watch for them.

I'm looking for woods that have 2 and 4 mast sailing ships on them, or woods with lighthouses. Just starting out so not many in collection. Send information & selling prices to: Robbin A. Quinn, 5295 Beechwood Road, Ravenna, OH. 44266-9119

Oklahoma Boy Scotts Issue Wood

Of the 1000 woods that were printed, only 178 remain for collectors to add to their collections. Woods are printed in black on both sides, with the 1847 seated Liberty on the obverse. Sale of the wood will be used to help defray the cost of the past event. There is a shoulder patch that is also for sale.

Asking \$1.00 plus an SASE for the wooden nickels & \$2.50 plus an SASE for the patch. Please send your order with correct postage to: Jell Sutton, 3109 Murray Court, Stillwater, OK. 74074

If you have a new find to share, or a wood related story to tell, you'll always find members willing to read about it in Bunyan's Chips!!!!!!!!!!!!!!!!!!!!!!

## PRESIDENT'S SAY

In September I spent parts of four days at the Western Washington Fair handing out literature and answering questions on coin collecting. As a part of the handouts were wooden nickels advertising the American Numismatic Associations 107th Convention in Portland, Oregon in August, 1998 and the Pacific Northwest Numismatic Associations past convention. The wooden nickels which we have been handing out the last few years have become popular with people visiting the fair. It was also surprising to me the number of people who thought that wooden nickels were a myth. The old saying, "Don't Take Any Wooden Nickels" was one I heard frequently along with, "I didn't think anyone collected those." I assured them that there are people around who do collect wooden money. I explained to them about Tenino and Blaine, Wa. but I'm not sure they believed me. Unfortunately I did not have examples with me. The coin collecting display being used belongs to the University Coin Club in Seattle and does have examples of wooden nickels and flats but not from Tenino.

Hotel arrangements for the American Numismatic Association have been made with Motel 6. There is a block of rooms set aside for the Wooden Money collectors planning on attending the convention. It is called **Portland Central** and the phone number is: (503) 238-0600. Cost per night is \$54.99+ tax. You must state you are with **IOWMC** for that rate and if you are a member of **AARP** there is a 10% discount at time of reservation. I strongly recommend making your reservations as soon as possible. There are two other major functions going on in Portland at the same time as the convention and motels and hotels will be full to capacity early. I have been told that the Senior Games being held at that time will attract 40,000 people. **MAKE RESERVATIONS EARLY.** I am listening to the Mariners ballgame while writing this message and Ken Griffey, Jr. has just hit his 52 homerun of the season. If we could figure out a way of putting baseball players on wooden nickels, we might compete with baseball cards for at least the younger sets collecting interest. Time to sign off and get this to the Editor. I am going on vacation for the next month and hope to visit some places I know has wooden nickels. I might even get to visit with collectors along the way. Del Cushing

## Merry Christmas

### PRESIDENT'S SAY

Have you ever been able to take a vacation when time was not a factor and where the nightly destination wasn't predetermined? For many years when traveling there has always been some reason why my wife, Mary, and I had to be somewhere special for whatever reason. Not this time! We were able to stop, see or visit a place as long as we wished to. We stopped at antique shops, gift shops, and even a couple of those tourist traps that always fall short for what you pay to see them. Taking a vacation means looking for woods along the way, and we found an issue that comes from the Hungry Horse Corral located in Hungry Horse, Montana. Vaugh & Irene Shafer are the Proprietors and they have the wooden nickels in their shop priced at 10 cents each or two for 25 cents as a joke. Our trip took us to Southern Saskatchewan to visit with Mary's mother and other relatives. From there it was off to Yellow stone National Park where the beauty & grandeur of this countries first national park was ours to behold for two days. Mary and I had visited Yellow stone on our honeymoon 40 years ago, almost to the very day! The best time to visit the park is in the fall as the crowds are at a minimum and there are local accommodations available. Our wanderings took us through Jackson Wyoming to Twin Falls, Idaho where we visited with friends who are on the look out for wooden nickels from the Magic Valley area. Stopped at Jackson, Nev. for dinner and picked up some casino chips while making a contribution at the slot machines. Alas, there comes a time when it is necessary to turn the car towards home. I made one more stop to visit with one of IOWMC's new members ( Brett Lyons) who became a member back in July. It was a pleasure to meet and trade woods with him, and I hope that he continues to enjoy the hobby. From Idaho to Seattle I was able to find a few more woods while stopping along the way. I hope that the Holiday Season will find all members and their families well and may the new year bring you many new acquisitions to your collection. Till next time: Del Cushing

Santa set of woods being offered  
by Communicate It, Ink. for the  
price of \$10.00 per set which  
includes postage. These are the  
woods being raffled off.

**Santa Set**

(Used as tree ornaments, gift tags, etc.)

Communicate It, Ink has put out an Indian set of twelve different woods printed on both sides in black ink, and another set of twelve woods with different Santas on them in red ink. These have a hole in them and can be used for hanging on the tree or as name tags on gifts next year. Only 100 sets of each are being produced, of which only 75 sets will be sold to collectors. The price for either of the sets is \$10.00 each that covers the cost of shipping as well. Send your orders to Communicate It,Ink. 10445 Trailway Oak, San Antonio, Texas 78240

Two sets of the above woods were donated to the club for a raffle prize. I am selling raffle tickets at one dollar each for a drawing to be held in early Feb. for these wood sets. Also, as editor of our newsletter, I tend to receive other woods through out the year that I will be giving out as raffle prizes at this drawing. These woods are officials, semi-officials, and coin club issues. There will be no less than 20 lots to the prizes to be won in the drawing. The funds will go to our clubs general fund and a report will be posted in the March newsletter. Enclosed in your issue you will find three raffle tickets to be used for this drawing. Make your payment out to IOWMC. Checks will be mailed to the treasurer weekly to not hold up your accounts during the time this drawing is to be held. This is being used as a fund raiser for our club which helps to off set the cost of our monthly newsletter & keeps our dues from going up. Return your ticket with your membership number on it to : Editor of Bunyan's Chips, 5295 Beechwood Road, Ravenna, Ohio 44266-9119

The monthly newsletter is mailed out as bulk through the postal service each month. Time that it takes to receive the mail runs from as little as a week to two months. Being that I have little control over how long it takes for the mail to reach the members, I will make every effort to see that the newsletter is mailed out as early as possible each month next year. Also, the date of the club mail bid will be moved up to off set the short time that some members have to respond. For the members wishing to send me material to be used in the newsletter, it needs to be mailed to me no later than the 15th of each month. Currently, it requires about 47 hours per month to put together each issue of Bunyan's Chips.

The correction pages being added to each issue are from Clinton List. They are to be used as an up date for the members who own the 8th Edition that was put out by Wayne Dennis. To purchase this guide please send your request along with \$18.00 ( \$3.00 for postage) to: Wayne Dennis, 1852 Golden Shadow Dr., Henderson, NV. 89015-8620 Members who are collecting official woods will find this guide book contains all known issues from every state and will aid them in knowing what is needed in their collections.

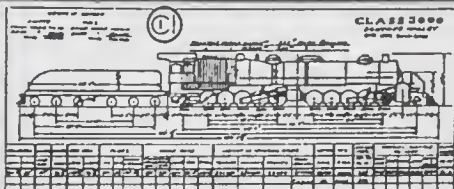

Reports are coming in that members are not receiving woods that they order from coin clubs & wood printers There could be longer delays due to the holiday season ( LIKE CLUB NEWSLETTERS )and members need to take this into account. However, long delays should be reported to our club officers so that they can follow up on such problems and help to correct these things. Fair dealings between members in woods should take no more than a two weeks to complete.

Editor in need of material to help improve the mailing date of newsletter. Articles about wood issues, short stories about you and your collecting, and anything related to the hobby are needed.

Next year there will be monthly up dates on the programs that we were trying to start up in Chips during the 1997 year. Reason that programs were never placed in your newsletter were due to nothing more than a lack on the memberships part to join in to see it completed. In order to put good information out to the clubs membership on such things as types of Indian & Buffalo issues, membership award woods, running the pages on maverick issues, and other such programs, requires that more members respond to such requests when it is asked of them. The more members that take the time to send in material for such things as this, means that there will be better information to share with all our fellow collectors and be printed sooner. This in turn will mean we can move onto other projects, and get more done during the year.~~~~~EDITOR~~~~~

I wish to take this time to close out my first year as the club editor of Bunyan's Chips and thank all the fine folks who made my job easier to do. I have a file of information that should have been used that will get me off to a good start in 1998. I look forward to the new year and working even harder to put out a good monthly newsletter on time to what has to be the nicest bunch of people you could ever want to know.

### GOLFER'S CHRISTMAS CAROL (To the tune of "Jingle Bells")

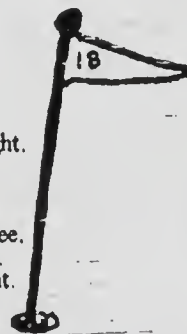

Dashing off at eight, what a gorgeous day!  
O'er the course I'll go, laughing all the way  
Musn't move my head, keep my arm in tight.  
Oh, what fun this day will be, if everything goes right.

#### CHORUS

Hook the ball, slice the ball, dribble off the tee.  
Thought that was a super shot. Whoops! It hit a tree.  
Hook the ball Slice the ball, dubbed it in the lake.  
Was sure I had an easy par but dam, I had an eight.

#### 18TH HOLE

I hit the ball! I hit the ball! Gosh it's long and straight.  
It isn't such a lousy day. Glad I was here at eight.  
I hit the ball! I hit the ball! It really had some zing!  
I knew if I tried really hard, I'd finally find my swing
